

PLEASE COME TO OUR ANNUAL SIT-A-PET PARTY!

We all marvel at the improvisational skills of the cast of Whose Line Is It Anyway.

Many times as pet sitters we need to improvise as well.

For example, what happens when you can't find a leash or a scoop or baggies?

What happens when you're locked out of a house?

Can't find any cat toys? Having trouble medicating a cat? Does the weather pose a challenge?

YOU HAVE TO IMPROVISE!

This party celebrates the improvisational skills of our pet sitters.
